Sound of Silence

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
No one dared
Disturb the sound of silence

"Fools" said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed in the wells of silence

Imagine

Imagine there's no heaven It's easy if you try
No hell below us Above us only sky
Imagine all the people Living for today... Aha-ah...

Imagine there's no countries It isn't hard to do
Nothing to kill or die for And no religion, too
Imagine all the people Living life in peace... You...

You may say I'm a dreamer But I'm not the only one
I hope someday you'll join us And the world will be as one

Imagine no possessions I wonder if you can
No need for greed or hunger A brotherhood of man
Imagine all the people Sharing all the world... You...

You may say I'm a dreamer But I'm not the only one
I hope someday you'll join us And the world will live as one

Into My Arms (Nick Cave)

Vem kan segla

Vem kan segla förutan vind? Vem kan ro utan åror?
Vem kan skiljas från vännen sin utan at fälla tårar?

Jag kan segla förutan vind, jag kan ro utan åror,
Men ej skiljas från vännen min utan att fälla tårar.
