Musikkavspilling - Ill see you again

Always you will be part of me
And I will forever feel your strength
When I need it most
You're gone now, gone but not forgotten
I can't say this to your face
But I know you hear

Refreng: I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

When I'm lost, when I'm missing you like crazy
And I tell myself I'm so blessed
To have had you in my life, my life
Ref:

When I had the time to tell you
Never thought I'd live to see the day
When the words I should have said
Would come to haunt me
In my darkest hour I tell myself
I'll see you again
Ref:

Someday I'll see you again
I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

I will see you again
I'll see you again
I'll see you again
I miss you like crazy
You're gone but not forgotten
I'll never forget you
Someday I'll see you again
I feel you walk beside me
Never leave you, yeah
Gone but not forgotten
I feel you by my side
No this is not goodbye
No this is not goodbye
No this is not goodbye
I'll see you again
